

## FIELD SERVICE ENGINEER/TECHNICIAN

### JOB DESCRIPTION:

Richmond based Manufacturer looking for Field Service Engineer/Technicians for long term employment. We are seeking someone with a diverse technical understanding, and the hands on skills that will allow them to recognize and solve application or operational issues in a real world setting. An experienced Engineer/Technician will work independently in the field or, depending on the size of the project, as a critical member of a select team.

### REQUIREMENTS:

- Must be a U.S. citizen
- Detail oriented in communication and documentation
- Electrical/electronic or control systems experience
- Available to travel internationally for short duration trips throughout the year
- USG Clearance required (S or TS)
- Living in the Richmond, VA surrounding area
- Self-motivated, company oriented with a desire to see the world
- Someone who can apply known technology to a variety of applications
- Eager to absorb more knowledge with every new experience

### VALUED ATTRIBUTES & SKILLS:

- Engineering/Electronics degree
- Licensed Electrician
- PLC programming
- Electronics and circuit board troubleshooting
- Electrical three phase power
- Motor and electric generator experience
- Variable Frequency Drives (VFD)
- Programmable Logic Controllers (PLC)
- Relay logic
- Reading and troubleshooting from electrical schematics
- RF shielding test and repair

### BENEFITS OF WORKING @ PS&C:

PS&C offers the opportunity to carve out your own professional destiny! We facilitate enhancement of one's skill set, while providing the structure to strengthen your talents and diversity within yourself, as well as our product lines. As a valued team member, we recognize that everyone is essential to success. Each employee's individual talents are utilized. Big things are happening at our company! PS&C is expanding its facility to meet supplier demand, which includes a fully air conditioned and heated workspace.

- Expert skills are recognized and promoted
- Competitive Base Pay, Holidays, Vacation, and PTO
- ESOP (Employee Stock Ownership Program), including 401k match (1/2% for each 1% up to 3% Max Match)
- Medical, Prescription and Dental Insurance: Free high deductible plan, or a Premium Plan with reduced payroll deduction options
- Clothing/work boot allowance
- Bonus program available
- Additional vacation offered after 10 and 20 year employment (1 week)
- E. O. E; drug and smoke free environment; with criminal background checks
- As a team member we recognize that everyone is essential to success; No one is given a number and a place to sit on the bench
- Expert skills are recognized, promoted and rewarded
- Competitive Compensation: from Entry Level to Level 4 Technician, OT over 8hrs per/day (CONUS outside of the Richmond Area), Travel days paid portal to portal @ full base rate, Travel OCONUS compensation (International Travel), Full M&IE per USG guidelines, OT over 40 hours on site, Working Holiday pay 2.5 x base rate!
